

FROM THE VISION COMMITTEE

# > Our Strategic Plan

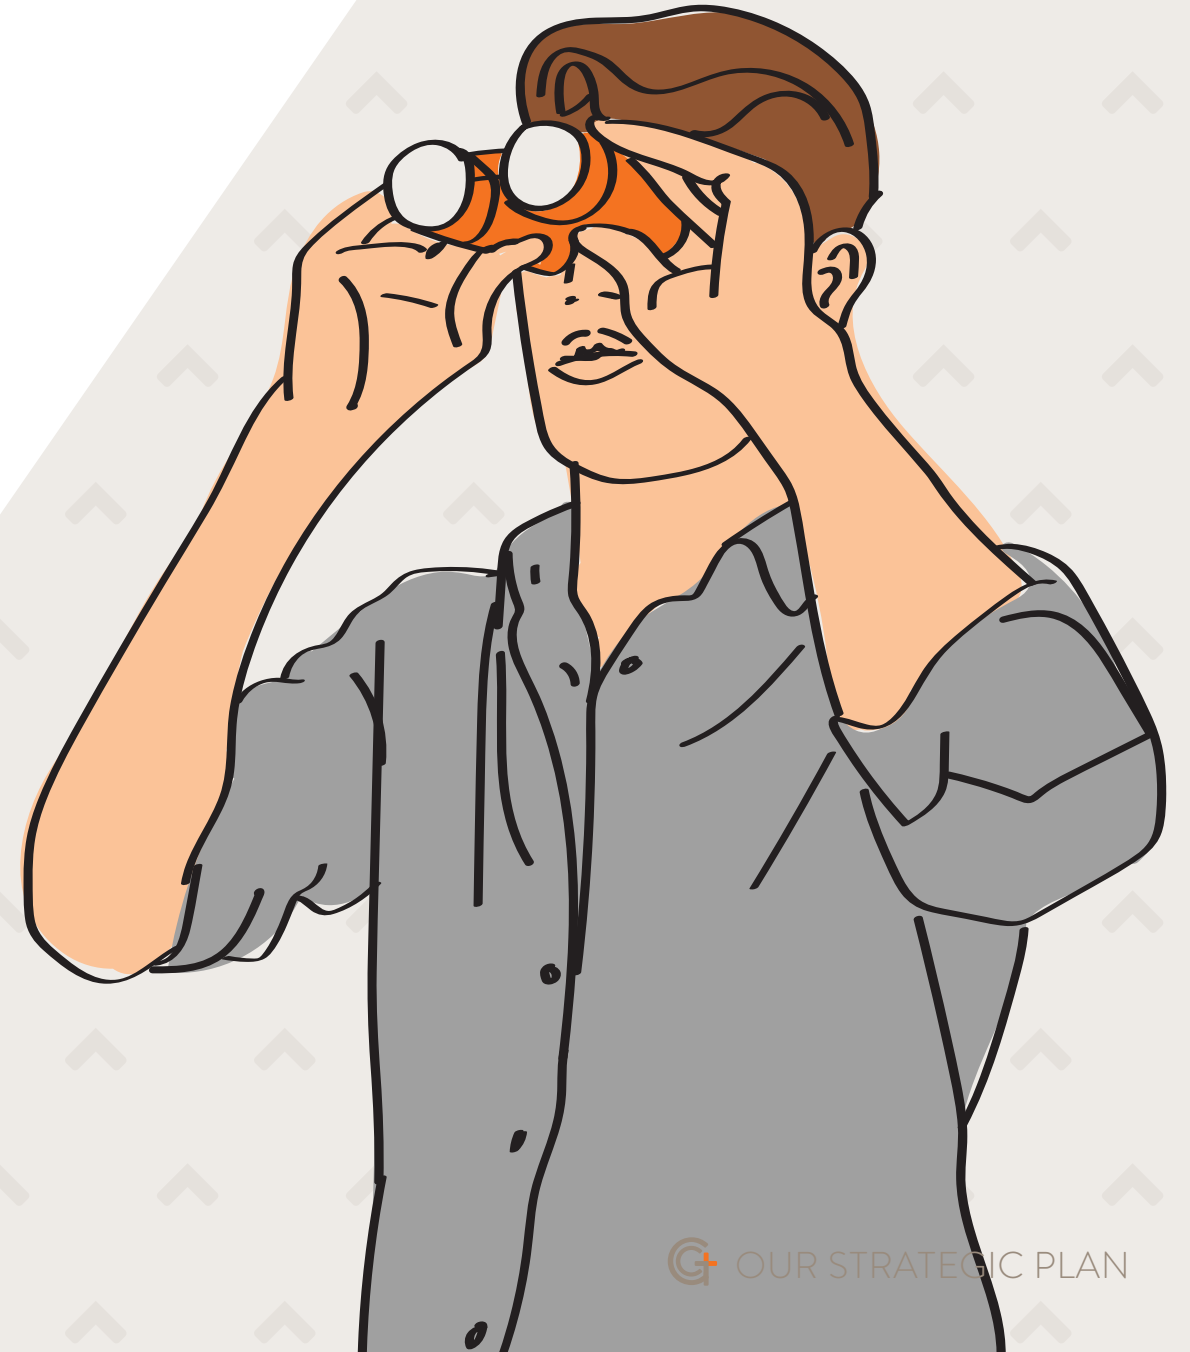

## **GCS Vision Committee Mandate:**

- /// Build medium- and long-term plans that align with the vision**
- /// Coordinate between related committees**
- /// Present specific recommendations to the Board**

To provide educational excellence  
for each covenant child to achieve their  
learning potential, grow in spiritual discernment,  
and glorify God in their lives as disciples of Jesus Christ.

## ➤ What is a Strat Plan?

# Our Strategic Plan

| 2024

## Our Strategic Plan | 2024

### Grace's Vision

To provide educational excellence for each covenant child to achieve their learning potential, grow in spiritual discernment, and glorify God in their lives as disciples of Jesus Christ.

### Grace's Mission

Assist Reformed parents in educating God's covenant children for a life of service to God's glory:

- 1 | Lead students to know the Triune God, His creation, grace and redemption
- 2 | Foster recognition of the Bible as infallible, authoritative, and normative for all of life
- 3 | Identify and develop each student's unique God-given talents
- 4 | Promote spiritual discernment through instruction, giving students the ability to guide themselves in the basis of God's Word
- 5 | Equip students for their task of stewardship in fulfilling the cultural mandate
- 6 | Instruct students in discipleship as exemplified by Jesus Christ

#### GOALS

#### OBJECTIVES

#### OUTPUTS

#### ACTIVITIES

### Whole Student

Develop the whole student on a Biblical foundation.

Enable greater integration of Christian character into daily living

Increase mental health resiliency in Grace students

Outputs help us measure the success of the strat plan.

**OUTPUT EXAMPLES:**  
(from the objective to increase mental health resiliency)

- Mental Health policy and guidelines in place
- Mental Health and workshops for teachers and students

Activities will drive our objectives and help us to reach our goals.

**ACTIVITY EXAMPLES:**  
(from the objective to increase mental health resiliency)

- Raise mental health awareness among educators
- Training educators on how to deal with students mental health challenges
- Equipping students with language and strategies to support mental health in school environment

### Resources

Empower staff and leadership, and augment classroom curriculum through training and resources.

Foster our culture of continuous learning and mentorship with the goal of serving the school's needs

Fully integrate executive functioning training through all grades at Grace

Ongoing support for our staff's professional development

Provide staff and students with tech and resources to support the curriculum

### Community

Build exceptional partnerships within and outside of our school community.

Enhance school to home and school to community communication by improving Grace's PR

Build a financial plan that is sustainable and that engages the whole community
